

Schiphol Regulations – Article 21, paragraph 2

For Schiphol Regulations article 21 paragraph 2, regarding the wearing of safety shoes in the baggage area, the following exemption has been made:

There is an exception for persons walking to and from their workplace using the shortest possible and safest route via the yellow dots (if present). Persons carrying out any work-related activities in the baggage area must follow the rule stated in the Schiphol Regulations, article 21 paragraph 2. In addition to baggage handling, any form of work in any case includes - but is not limited to - conducting observations, performing guided tours and safety walks.

This exemption is in immediate effect until December 31st 2024. The Schiphol Regulations will be amended accordingly*.
