Unleash the power of a fully integrated payment-to-reclaim ecosystem with HRS Payment Solution. Simplify your corporate travel payment workflows with unparalleled efficiency, cost savings, and compliance. With AI-driven insights and automated processes, HRS Payment Solution leads the way in redefining corporate travel management.

EFFORTLESS PAYMENTS. SEAMLESS EXPENSES. SIGNIFICANT SAVINGS.

HRS Payment Solution integrates seamlessly into travel ecosystems, ensuring compatibility with a wide range of platforms, and unmatched flexibility and adaptability to unique needs of its customers on each step of payment journey.

BOOKING & PAYMENT

Automatically generates a **Virtual Credit Card (VCC)** tied to the trip details and ensures secure transactions.

INVOICE MANAGEMENT

Automatic collection, AI-validation, audit, and digitalization of invoices **with 100% compliance.**

EXPENSE MANAGEMENT

Automatic 1-click expense reporting, incl. **seamless integrations** into SAP Concur, Cytric Expense, and Emburse ChromeRiver.

VAT RECLAIM

Optimized workflows ensure up to **100% VAT reclaim** potential with enriched L3 data accuracy and AI-automation.

HOW HRS PAYMENT SOLUTION DELIVERS VALUE

SECURE AND HASSLE-FREE PAYMENTS

- Achieve over 98% payment acceptance with Virtual Credit Cards (VCCs), eliminating out-of-pocket expenses and skipping check-outs.
- Fraud risks are minimized with secure, automated payment processing.

COMPLIANCE LEADERSHIP

- Ensure 100% tax compliance with automated validation and enrichment of VAT IDs, company details, and tax data.
- Ready for evolving e-invoicing mandates with automated invoice validation and compliance checks.

UNPARALLELED AUTOMATION

- Match booking, payment, and invoice data with Level 3 enrichment for actionable insights.
- A 98% invoice collection ratio ensures accurate, compliant reporting with no manual corrections required.

TRAVEL SPEND RECOVERY

- VAT reclaim up to 10% of travel budget through compliance-driven automation tailored to local tax authority regulations.

HANDS-OFF EXPENSE REPORTING

- Fully automated workflows and one-click approvals simplify the process for accounting teams and travelers alike.
